

# SUCCESS LAWS CHECKLIST

[www.nlpaatlanta.com](http://www.nlpaatlanta.com)

- Increase choice & flexibility
- Their map is not the territory
- Recover from deletions, distortions and generalizations
- Respect the other persons of the world
- Course correct to escape from insanity
- Your mindset = your results
- Ask quality open questions
- People are not their behavior
- If one can do it, anyone can
- Change one modality - change all
- You already have all the resources you need to make the best choices
- Your quality of communication = the response you are getting
- Underlying every behavior is a positive intention
- Know your outcome
- There's only feedback, not failure
- Create win/win/win outcomes
- One cannot NOT communicate
- Never assume
- Nothing has meaning but the meaning you give it
- Don't take anything personal
- Mean what you say and say what you mean
- Your thoughts turn into feelings, that get you into action to get your desired outcome
